

FIND DAVE SAVE DAVE

ALBERTA CHRONIC DISEASE (ABCD) MANAGEMENT SYMPOSIUM **October 2nd, October 3rd, 2010 Delta Kananaskis Lodge**

Dear Colleague;

It is our pleasure to invite you to attend the **AlBerta Chronic Disease (ABCD) Management Program**, to be held on **October 2-3, 2010** at the **Delta Lodge in Kananaskis**. Details for this conference may be found below and at <http://www.agora-event.com/savedave/>

Attendance for this event is open to physician and non-physician primary care providers, and the agenda may be found on the reverse.

The **objectives** of the program are:

- Foster an integrated healthcare approach at the primary care level of screening, prevention and management of chronic disease.
- Share and develop team-building expertise through the use of exercises that engage interdisciplinary healthcare teams belonging to a Primary Care Network (PCN)
- Through a blended approach of specialist and family practitioners, review and discuss updated information on managing Stroke/TIA, Diabetes and Peripheral Arterial Disease

This practical, interactive and accredited* program is facilitated by a fully interdisciplinary team, and was designed by a steering committee consisting of:

Allen Bailey (MD, CCFP)	Spruce Grove
John Chiu (MD, CCFP)	Edmonton
Ken Cody (MD, CCFP)	Calgary
Bruce Wheeler (MD, CCFP)	Calgary
Norman Yee (MD, CCFP)	Calgary

Complete registration information may be found at <http://www.agora-event.com/savedave/>

We invite you to help FIND DAVE and SAVE DAVE!

Sincerely,

The ABCD Steering Committee

* ACCREDITATION: This program has been approved by the Alberta Chapter of the College of Family Physicians of Canada accreditation for up to 8 Mainpro-M1 credits.
