

Cardiac Sciences

Clinical Associate

Specialty	Cardiology
Type	Sessional
City/Town	Calgary
Location	Foothills Medical Centre Peter Lougheed Centre South Health Campus

Responsibilities/Duties:

Calgary Cardiac Sciences invites applications for Clinical Associates to provide night and weekend bedside patient care for the attending physician.

Available shifts will be at the Foothills Medical Centre, Peter Lougheed Centre and South Health Campus. Coverage is for Cardiology inpatients in CCU and on Units. Consults will come mostly from Emergency and may also come from Internal Medicine, Hospitalists, Neuro or Surgery (General and Vascular).

Compensation:

Clinical Associates are independent contractors. As such, they are fully and wholly responsible for their own schedules. Compensation is \$125.43/hr.
