

## Memorandum

**Date:** June 22, 2020  
**To:** Referring Physician's and Care Providers  
**From:** Hepatology Central Access and Triage  
**RE:** CHANGE IN FAX NUMBER

---

### Hepatology Central Access and Triage is Reopening

We would like to inform you that, beginning today, our referral fax number has changed to:

**403-476-8760**

Please, kindly update your contact information.  
We look forward to continuing to receive your referrals via our new number.

Please note: 403-944-6559 will remain the fax number for Hepatology Patient Reports. Please continue to send all communication regarding **active** Hepatology clinic patients, laboratory results, and diagnostic imaging to that number.

Thank you.
