University of Calgary**

Family physicians needed for research regarding:

***Family physicians' experiences in initiating
palliative care conversations with patients
who have life-limiting, non-cancer illnesses***

As a participant in this study, you would be asked to participate in a one-on-one interview with a member of the research team.

Your participation would involve one session (by phone using skype), scheduled at a time convenient for you, lasting approximately 30-45 minutes. An honorarium of a \$50 gift card will be offered to participants.
