

# CanREACH Group discount

CALGARY WEST CENTRAL PRIMARY CARE NETWORK

## Discount: CanREACH mental health course

### Overview

We have partnered with [CanREACH](#) to offer Calgary Zone PCN members a **group discount\*** of 15 per cent on their **three-day pediatric mental health workshop** from Friday, Feb. 26 to Sunday, Feb. 28.

Normally a \$800 course, the cost after the group discount is **\$680 for Calgary Zone PCN members**.

*\*At least 10 registrants are required to secure the group discount, and there are currently 18 spots available in the course.*

Adapted for Canadian primary care providers, Patient-Centred Mental Health in Paediatric Primary Care includes.

- **The workshop:** A dynamic and interactive three-day (15 hour) course that uses a combination of intensive **face-to-face teachings** and **hands-on practice**
- **Six months of biweekly calls:** An ongoing **case-based program** using distance learning methods

This Group Learning program has been certified by the College of Family Physicians of Canada for **up to 79.5 Mainpro+ credits**.

Attend the course from CanReach, and you will learn to:

- **Identify and differentiate** among pediatric mental health concerns (childhood depression, ADHD, bipolar disorder, anxiety, aggression, and psychosis)
- **Effectively manage psychopharmacology:** Selecting, initiating and tapering medication, monitoring change, and identifying and minimizing side effects
- **Create and implement treatment plans**, mobilizing existing resources and natural and professional supports

*"This course empowers physicians to become and feel competent in managing these cases. The previous difficulty was because of lack of training rather than difficulty of patients. This course should be available to all Alberta physicians, and is really the only way we are going to help these patients." - Dr. Neil Cooper*
