

## Joule: Leadership for Medical Women (Virtual)

Friday, Jan. 15 (9 a.m - 4 p.m) and Saturday, Jan. 16 (9 a.m. - 4 p.m)

[Register here](#) by Wednesday, Dec. 16.

### Overview

This course provides a rare opportunity for women physicians to connect. It focuses on deepening self-awareness and self-knowledge, identifying and developing individual skills and strengths, and highlighting capabilities necessary to address and successfully meet challenges unique to women leaders in medicine.

- A **value of \$2000** - no cost to participants
- **Earn up to 13** Mainpro+ certified credits

### *Learning objectives*

- Explore the leadership direction that resonates most strongly with you.
- Leverage your natural strengths to more effectively engage others and address factors that may be limiting your success.
- Identify what influences leadership and recognize both internal and external factors affecting the career progression of medical women today.
- Learn specific strategies to become more effective as a medical woman leader.
- Identify opportunities to drive and support female physician leadership in our current and emerging complex health care system.
