

WHAT IS SAPCA?

Through physician advocacy and representation, SAPCA supports the health of individuals and communities. In partnership with Alberta Health Services (AHS) and community members, SAPCA forms the governance board of the SCPCN, enabling the SCPCN to achieve its mission: *building healthier communities in south Calgary through the evolution and transformation of primary care in collaboration with our wellness partners.*

THE PHYSICIANS' ASSOCIATION

SAPCA is a non-profit physician corporation. If you are a member of the SCPCN, you are a shareholder in SAPCA.

LEGAL MODEL TWO

- Select members of the SAPCA board are appointed to serve on the SCPCN Governance Board
- The Board hires an executive director and a medical director to run the PCN'S operations

WHAT DOES THE SAPCA BOARD DO?

Advocacy

Physician wellness

Representation

Communication

Inform strategy

AGM

SHAREHOLDER AGREEMENT

- It is important that you have a share—meaning you have an opportunity to participate in and inform the development of SAPCA and the PCN
- Shareholders have responsibilities, such as voting for the board, participating in AGMs and upholding the values of the organization for which they hold shares
- Contracts exist that govern programs you choose to participate in; this is a broader agreement about our commitment to each other and the values we share as a community of physicians
- Signing this agreement is part of the registration and on-boarding process. If you have any reason for not wanting to sign, please share it with us
