Comments / Other Information:

Deer Valley Medical is a walk-in and family practice clinic, well-established in SE Calgary. We currently have 6 physicians providing services on both a full-time and part-time basis. We have a fully equipped treatment room and 8 exam rooms. Our staff consists of qualified and dedicated RNs, MOAs, a Referral Coordinator, and office management. Our clinic is flexible in terms of hours of operation and services provided dependent on the physicians in-clinic, and those interested in working with us.
